

Gregory S. Amacher

Abbreviated Curriculum Vita, May 2016

Office Address:

Department of Forestry
College of Natural Resources
Virginia Tech, Blacksburg, VA 24061
Phone: 540-231-5943
Fax: 540-231-3698
Email: gamacher@vt.edu

Education

Ph.D. University of Michigan (natural resource economics) 1993
M.S. University of Michigan (natural resources) 1991
M.A. University of Michigan (statistics) 1990
M.A. University of Michigan (economics) 1989
B.S. Pennsylvania State University (forest science) 1984, with highest distinction

Academic Positions

Julian N. Cheatham Professor, Forest and Natural Resource Economics. College of Natural Resources and Environment, Department of Forest Resources and Environmental Conservation, Virginia Polytechnic Institute and State University, USA (2007-)

Professor, Natural Resource Economics. College of Natural Resources, Department of Forestry, Virginia Polytechnic Institute and State University, USA (2006-2007);

Associate Professor. College of Natural Resources, Department of Forestry, Virginia Polytechnic Institute and State University, USA (1999-2005)

Assistant Professor. College of Natural Resources, Department of Forestry, Virginia Polytechnic Institute and State University, USA (1994–1999)

Visiting Associate Professor. Department of Economics, Virginia Commonwealth University, USA (2000-2001)

Agricultural Economist. Economic Research Service, U.S. Department of Agriculture (August 1990-January 1994)

Research Assistant. Research Seminar in Quantitative Economics (RSQE), Department of Economics, University of Michigan, USA (1987-89)

Selected Editorships and Honorary Appointments

Senior Editor (Forestry and Economics), *Natural Resource Modeling*, 2004-2007
(Associate Editor, 2008-2011)
Editor, *Forest Science*, 2001- 2004
Editorial Council, *Journal of Environmental Economics and Management*, 1999-2012
Associate Editor, *Forest Science*, 1998-2001
Associate Editor, *Journal of Forest Economics*, 1999-
Visiting Professor, Department of Economics, University of Helsinki, Finland
Visiting Professor, Helsinki Center for Economics Research, Finland
Visiting Professor, Department of Economics, Gothenburg University, Sweden
Adjunct Honorary Senior Professor, Chinese Academy of Sciences, Peking University
and Chinese Center for Agricultural Policy
Affiliate Research Scientist, Woods Hole Research Center and Institute of Environmental
Research for Amazonia (IPAM), Brazil.
Courtesy Adjunct Appointment, Virginia Tech Department of Agricultural and Applied
Economics, and Virginia Tech Department of Economics
Faculty Associate, Lincoln Land Policy Institute, 1995-1998

Teaching Experience

Awards

Virginia Tech College of Natural Resources Excellence in Teaching Award, 2003
Virginia Tech College of Natural Resources Outstanding Faculty Award, 2003
Virginia Tech Panhellenic Teaching Excellence Award, 2003 (university wide)

Courses Taught

Undergraduate

Natural resources economics, Virginia Tech (2009-)
Environmental economics, Virginia Tech (1994-)
Forest resource economics, Virginia Tech (2001-2008)
Microeconomics principles, Virginia Commonwealth University (VCU) (2000)
Forestry spring camp (Forest management exercise), Virginia Tech (1994-2008)
Principles of microeconomics, University of Michigan (1988-89)
Microeconomics principles, Oakland Community College, Royal Oak, MI (1987-89)
Silviculture, School of Natural Resources, University of Michigan (1986)

Graduate

Advanced natural resource economics, Virginia Tech (1994-)
Dynamic optimization and natural resources, Virginia Tech (1999-2009)
Policy instruments and natural resources (3 lectures), Göteborg University (2001)
Advanced topics in forest economics, Virginia Tech (1998-2001)

Current Research Working Papers (in progress/review)

Schons, S., E. Lima, G. Amacher, and F. Merry. Smallholder land clearing and the Forest Code in the Brazilian Amazon.

Cobourn, K., G. Amacher, and L. Elbakidze. Bargaining for recharge: an analysis of cooperation and conjunctive surface water-groundwater management for irrigation.

Ehsan S., G. Amacher, and K. Moeltner. Contract duration and extraction with hydraulic fracturing.

Amacher, G., and M. Ollikainen. Prices versus quantities: the forestry case.

Cobourn, K., G. Amacher, and R. Haight. Cooperative management of invasive species: A dynamic Nash bargaining approach.

Kuusela O., Amacher, G.S., Moeltner, K. Performance Bonds in Timber Concessions.

Kuusela, O. and G. Amacher. A Review of performance bonding in forest policy settings.

Wolfersberger, J., G. Amacher, P. Delacote, A. Dragicevic. The dynamics of deforestation and reforestation in a developing economy.

Xu, Y., G. Amacher, and J. Xu. Village democracy and household welfare: evidence from rural China.

Ricardo G., M. Niklitschek, and G. Amacher. Econometric modeling of land use change in southern Chile: A panel data analysis.

Kuusela, O., M. Bowman, G. Amacher, R. Howarth, and N. Laporte. The Importance of Natural Resource Access to Efficiency of Fuelwood Collection and Fishing for Subsistence Households in Mozambique.

Kuusela, O., Amacher, G., Tsang K. 2013. Intensity-Based Permit Quotas and the Business Cycle: Does Flexibility Pay Off? IADB Working Paper Series, No. 450.

Amacher, G, L. Ersado, and W. Hyde. 2003. Economic and policy effects of microdams and watershed afforestation on agriculture and the prevalence of disease in Tigray Ethiopia. Technical report submitted to World Health Organization, Geneva, Switzerland.

Amacher, G., A. Malik, and R. Haight. 2003. Burning questions: uncertainty and the value of information in forest fire management. Report for US Forest Service North Central Research Station.

Amacher, G, E. Koskela, and M. Ollikainen, Quality Competition and Social Welfare in Markets with Partial Coverage: New Results, The Research Institute of the Finnish Economy, Discussion Paper #851, April 2003

Amacher, G, L. Ersado, and W. Hyde. 2003. "Economic and Policy Effects of Microdams and Watershed Afforestation on Agriculture and the Prevalence of Disease in Tigray Ethiopia." Report for World Health Organization, Geneva, Switzerland.

Amacher, G., C. Conway, J. Sullivan, M. Vokoun, and D. Grebner. 2003. "Comparisons of reservation prices for harvesting and land use change in Mississippi and Virginia." Report for U.S. Forest Service Southern Research Station, Southern Forest Resource Assessment Consortium.

Amacher, G., C. Conway, and J. Sullivan. 2002. "Reservation prices and land use." Final Report submitted to USDA Economic Research Service.

Amacher, G., and C. Conway. 2001. "Reservation prices and landowner decisions regarding timber sale and land use: evidence from Virginia and Mississippi." Final Report Submitted to USDA Forest Service Southern Research Station, Southern Forest Resource Assessment Consortium (SOFAC)

Conway, C., S. Chapman, G. Amacher, and J. Sullivan. 2000. "Management Behavior of Central and Southwest Virginia's Nonindustrial Private Forest Landowners: A Comparison." Report for U.S. Forest Service, Southern Forest Resource Assessment Consortium (SOFAC).

Amacher, G., M. Christine Conway, J. Sullivan, J. Scrivani, and C. Hensyl. 1998. "Effects of shifting population and landowner preferences on nonindustrial landowner behavior: with an empirical example from Virginia." Final Report submitted to Southern Forest Resource Assessment Consortium (SOFAC).

Amacher, G., M. Aust, L. Shabman, D. Grebner, J. Groninger, L. Shabman, J. Sullivan, L. Zepp. 1997. "Reforestation in the Mississippi Delta: Analysis and Policies." Report for Business Council for Sustainable Development in the Gulf of Mexico.

Amacher, G., D. Brazee, J. Bulkley, and R. Moll. 1989. "The valuation of coastal wetlands: An interdisciplinary approach." Report for Water Resources Institute, East Lansing, Michigan. Abstract published in *Water Resources Bulletin*.

Amacher, G., D. Brazee, J. Bulkley, and R. Moll. 1989. "An empirical analysis of economic and noneconomic valuation: Examples from Great Lakes coastal wetlands." Report for Water Resources Institute, East Lansing Michigan.

Amacher, G. 1986. "A financial analysis of Michigan department of natural resources tree planting procedures." Report for Michigan Department of Natural Resources Forest Management Division, East Lansing, Michigan.

Selected Extramural Grants and Sponsorship

Total funding: Over \$8,000,000 as PI or Co-PI since 1994

Sponsors: National Science Foundation, Lincoln Land Policy Institute, NASA, World Health Organization, Woods Hole Research Center, Organization, USDA Forest Service Southern and Northern Stations, Fund for Rural America, Southern Forest Assessment Consortium, USAID, US Department of Energy, USDA Economic Research Service, The World Bank (Environment Division and Latin American Studies Division), National Center for Fire Landscape Analysis, IPAM Brazil, USDA, Gordon and Betty Moore Foundation, Forest Service Office of International Programs, Virginia Department of Forestry

Examples:

“Land and resource use on the Amazon floodplain under evolving management systems and environmental change: Fish, forests, cattle, and settlements”, Hess, McGrath, Amacher, Merry, Coe, Castello, and Kellendorfer, NASA, \$1,409,183,

“A Conservation Agriculture Production System Program for the Central Plateau of Haiti,” USAID SANREM CRSP Phase IV Long-term Research Awards. \$1,650,000 McKenna, Alley, Amacher, Badio, Thomason, Rainey.

“Preparation of a policy statement on deforestation and REDD,” Murray, Pfaff, Amacher, Sills, Streck, Packard Foundation, \$100,000

“The role of natural resources in mitigating political, environmental and health shocks to extremely poor households in Southeastern Africa ”Merry, Amacher, Epstein, Laporte, National Science Foundation, \$800,000

“Economic analysis: a companion proposal to: The impact of land use change and incidence of malaria and schistosomiasis in Tigray, Ethiopia,” Amacher, Hyde, World Health Organization, \$175,000

“Bioenergy: Optimum incentives and sustainability of non-industrial private forests in the U.S. South,” Alvalapati, Amacher, Mehmood, Smith, US Department of Energy, \$656,525

“Feedbacks among forestry, agriculture, and fire in Amazonia,” Nepstad, Amacher, Curran, Kaufmann, National Science Foundation, \$1,300,000

“Dynamic models of fire policy design and fuel reduction with multiple landowners,” Amacher, Malik, US Forest Service, \$80,000

“Development of policy decision models under fire uncertainty,” Amacher, Malik, US Forest Service \$95,000

“Developing a framework to assess the value of remote sensing technology and GIS applications for wildfire management,” Hessel, Amacher, National Center for Landscape Fire Analysis \$185,000

“Restoring sustainable forests on Appalachian mined lands for wood products, renewable energy, carbon, and other ecosystem services,” Burger, Fox, Amacher, Zipper, Sullivan, Galbraith, US Department of Energy, 494,000

“Reservation prices, expectations, and nonindustrial landowner behavior: evidence from two regions of the US,” Amacher, Sullivan, US Forest Service, \$60,000

“Benefits and costs of agricultural versus conversion of bottomland hardwoods in the Mississippi Alluvial Plane,” Amacher, Sullivan, Shabman, Business Council for Sustainable Development in the Gulf, \$50,000

Selected Invited Seminars and Keynote Addresses

Keynote, The forest harvesting problem: Is there anything left? Scandinavian Society of Forest Economics, May 21-23, 2014, Uppsala Sweden

Keynote, Samuelson’s economics of forests thirty six years later, Fourth International Faustmann Symposium: Forest Economics under Multiple Challenges, September 9-12, 2012, Tunturihotelli, Saariselkä Finland

Keynote Seminar, Forest taxation in Africa Workshop, Department for International Development, London, UK, June 2008.

Keynote Seminar, The future of forest economics research, Southern Forest Economics Workshop, San Antonio, TX, March 4, 2007.

Invited Seminar, Property rights and deforestation, Department of Environmental Studies, Dartmouth College, Hanover NH, November 10, 2006.

Invited Seminar, Disease, microdams, and natural resources in Tigray Ethiopia, Department of Forestry and Environmental Resources, North Carolina State University, March 21, 2005.

Invited Seminar, Logging contracts and smallholder labor decisions in the Brazilian Amazon, Woods Hole Research Center, Falmouth MA, June 24, 2004.

Keynote, Eco-labeling and natural resources: new results, Symposium on Natural Resource and Environmental Economics, Department of Economics, University of Helsinki, Finland, May 2001.

Keynote, New results regarding forest landowner behavior: urbanization and absenteeism, Southern Forest Resource Assessment Consortium Annual Meeting, Raleigh, North Carolina, USA February 2001.

Invited Seminar, Reservation prices and land use change: new results, U.S. Economic Research Service, August 2002.

Invited Seminar, Policy instrument choice and endogenous firm behavior, Department of Economics, Invited seminar, Department of Economics, Virginia Commonwealth University, January 2001.

Invited Seminar, Fiscal Federalism and Natural Resource Markets, Department of Economics, Gothenberg University, Sweden, December 2001.

Invited Lecture, Policy instruments and environmental regulation, Department of Economics, Gothenberg University, Developing Country Graduate Program, Sweden, June 1999.

Invited Seminar, with Aust, L. Shabman, D. Grebner, J. Groninger, L. Shabman, J. Sullivan, and L. Zepp. Landowners' financial returns to reforestation of marginal farmlands in the Mississippi alluvial plain: estimates, interpretations, and policy implications, Connecting points of view in the Delta, Jackson MS, 1996.

Invited Seminar, Policy instruments: new results, Department of Economics, University of Michigan, April 1998.

Invited Honorary, Workshop on reforestation of marginal farmland as a nonstructural flood control solution for backwater flooding in the Yazoo River basin. Held at Mississippi State University Department of Forestry, January 22, 1997.

Invited Seminar, A comparison of Scandinavian and North American approaches to forest taxation analysis, Finnish Forestry Research Institute, Helsinki, Finland, June 1995.

Selected University Service (Virginia Tech)

Chair, Promotion and Tenure Committee (2011-2012, 2013, 2015, 2016)

Virginia Tech university faculty senate member (2010-2016)

Chair, College Faculty Affairs Committee (2006-2007)

Member, Website Revision Committee (2006)

Chair, Graduate Affairs Committee, Department of Forestry (2005-2006)

Member, remote sensing search committee, 2006

Member, Search Committee, forest policy position, 2001, 2007

Chair, Department of Forestry Graduate Affairs Committee, 1998-2000, member 2003-

Member, Search Committee, Department of Agricultural Economics, natural resource economist,

Director, Department of Forestry Spring Camp, 1995-1997
Reviewer for University ASPIRES program proposals, 1998-99
Member, peer review teaching committee, Department of Forestry, 1998, 2006
Department University Library Representative, 1998-2000
Chair, Department of Forestry Facilities Committee. 1996-97 (member 1995)
Member, Department of Forestry Ad hoc Spring Camp Revision Committee, 1996
Member, University Graduate Commission of Research and Policies, 1999-2000
Member, University Undergraduate Honors Council. 1996-2000
Member, University Service Learning Committee, 1995-1999
Member, Departments of Economics and Agricultural and Applied Economics Ph.D.
curriculum revision task force, 1995
Reviewer, Graduate Student Assembly "Graduate Research Development Project"
Applications, 1994
Member, Environmental Resource Management Curriculum Committee, 1994-
Faculty advisor to the undergraduate Environmental Resources undergraduate Club,
1994- 2000
