

NPS Open Outdoors for Kids Post-Experience Survey (4th grade)

This voluntary survey asks questions about your recent National Park program experience. Your answers will help us to improve the program for the future.

This is not a test. There are no right or wrong answers. Please answer with your honest opinions and complete the survey on your own. We will not record your name.

You'll be answering most questions on a scale from 0 to 10. A "0" means the program had **no influence on you at all**. A "10" means it **changed your life!** For most questions, you will likely answer somewhere in between these ends of the scale.

This research study, funded by the National Park Foundation and National Science Foundation, aims to help improve programs like the one you just experienced. We also plan to publish the results for others to learn from. If you have any questions about the study, please contact Kelley Anderson at kelleyan@vt.edu. If you have any questions about your rights as a research subject, please contact the Virginia Tech Institutional Review Board at irb@vt.edu. The IRB protocol number is 19-754.
